

Arcadis NV

Infrastructure, buildings, environment, communications

Company Profile

ARCADIS is a leading, international, knowledge-driven service provider, active in the fields of infrastructure, buildings, environment and communications. Together, the 8,500 ARCADIS employees generate approximately € 850 million in annual revenues. The company has a strong balance sheet which offers enough room for growth through acquisitions. ARCADIS aims to grow through organic development and acquisitions in equal proportions. In 2000 the Company implemented a strategy change, geared towards improvement of value creation, through margin improvement and growth in the geographies in which it already has a presence.
